

Stamford Netball League

Stamford Netball League's IMPROVED Charity Festival Tournament
Sunday 4th July 2010

Invitation for entries

Stamford Netball League would like to invite entry from senior netball teams that wish to take part in their annual charity tournament (charity to be announced). The tournament will once again be held in the superb sports facilities at **Stamford Junior School, Kettering Road, Stamford, Lincs.**

Due to feedback received after last year's tournament, **this year teams will be reseeded in the afternoon session and will therefore play more games!**

The competition will run from 10am until 4pm and will consist of morning group stages, followed by a cup and plate competition in the afternoon. Teams will be required to register at 9.30am on the day and can expect to play teams from areas within Lincolnshire, Leicestershire, Northampton, and Nottinghamshire.

Costs

Teams will be charged an entrance fee of £25. A deposit of £10, which is refundable on the day, and the entry fee (on separate cheques where possible), should be returned with your entry form.

We also ask teams to provide a raffle prize to the value of £5, to be presented at the time of registration. All money raised from the raffle will be donated to St. John Ambulance who will be on hand on the day, though hopefully not needed!

Teams

Squads are to consist of no more than 12 players (all of whom must be above 13 years of age) and each team must supply an umpire. Players are not required to be affiliated.
